DIRECTIONS FROM FARO AIRPORT

After you leave the airport, follow the signs for Faro.

After a few kilometres, you will see signs for S.B. Alportel straight ahead. Keep going straight ahead and follow the indications for S. Brás.

After the exit for São Brás there is a roundabout and you will arrive on the N2 in the direction of São Brás. [This is a new exit and your GPS might not know this yet.]

After approximately 5 kilometres, you will see a sign for S B Alportel / Sta B Nexa on your right. Take a right here. Follow this road (N2) for 7 kilometres.

Once you arrive at Sao Bras (a roundabout with a sign that says left for Loulé, straight ahead for Sao Bras and right for Tavira), take a left toward Loulé. Two more roundabouts will follow.

Keep following the R270 in the direction of Loulé. About 300 metres after the third roundabout, take the first left (signs for Corotelo and Bordeira).

After about 500 metres, you will enter the small "centre" of Corotelo (a café on the corner to the right with a mini-mercado next to it).

Take a left in the direction of Funchais here. This is the M1306, and we are located along that road, after about 1.3 km: Farmhouse of the Palms.
